

## SC50 Electronic Digital Scale

Extech's portable Electronic Digital Scale makes it convenient to weigh items that won't fit on a flat floor scale, such as your luggage. Battery operated, easy-to-use, touchscreen color display and rugged 9.4" (238mm) strap with metal hook measure up to 110lbs/50kg. Ideal for home, sports, and industrial use.

### Features

- 1.6" color LCD with 0.5" digits provides Weight and Tare indication
- 110lbs/50kg with 0.01lb (0.01kg) resolution
- Simple touchscreen Zero and Tare programming
- Automatic 30 seconds Data Hold
- Auto Power Off in 30 seconds
- Overload indicator
- Complete with CR2032 battery, 9.4" (238mm) strap, and metal hook
